

## Nemo Make-up Office Hours for 6.033 CI tutorials, Spring 2013

The CI staff have put together a large number of office hours to meet with students about the DP1 memo (due Friday 2/15). Please attend if you can! You can visit ANY office hours that fit your schedule. You can also email your CI instructor (see <http://web.mit.edu/6.033/www/sections.shtml>) to work out a separate appointment.

Locations may change and some office hours may be run as tutorials, so check for room updates.
