

# STYROFOAM

## What gets recycled?

**Clean polystyrene coolers,  
boxes and lids**

Separate Styrofoam and cardboard.  
Remove packing tape or labels.

Reuse cubes and coolers when possible.

Flatten cardboard box and put all  
Styrofoam in clear plastic bags.

Remember to remove all labels!

Leave bags of Styrofoam  
with your trash or recycling.

### What to include

Clean polystyrene coolers, boxes and  
lids that are void of all labels,  
stickers, and packaging.

### Don't include

Soft foam that "bounces back",  
food containers or packing peanuts.\*

\* Put packing peanuts in a box or a bag, mark "Send  
to WW15", and leave with interdepartmental mail.
